Applications

The applications listed are either "In Progress Applications" or "Submitted Applications" from your organization. To view a different list, use the "Show" drop down menu on the right side of the screen. You will not be able to make any changes to your submitted applications. You may view your application by clicking on the Application Name of the record you would like to view.

Show In Progress Applications

Application Name	Project Title	Requested	ID	Last Updated	Action
------------------	---------------	-----------	----	--------------	--------

If you see multiple instances of the same application and you are NOT submitting a proposal for multiple programs, you probably initiated a new one when there was already one started. To delete an application, click on the garbage can located under the “Action” column.

General Reminders

- Remember to upload your attachments before submitting your application.
- If you wish, print a copy of your application for your records. A copy also will be included in the confirmation email you’ll receive upon submitting your inquiry or application.

Button/Link Descriptions

- **Save & Finish Later** - At the bottom of any page of the application you can click “Save & Finish Later.” By selecting this button, it will save your data and you will be able to return later to complete your application.
- **Review My Application** - Fields from all pages of the application are listed on one page. You may change the data in any field.
- **Printer-Friendly Version** - Print the application, including all questions and answers in the order in which they appear on the application form.
- **Review & Continue** - Review your application and then submit it.
- **Submit** - Do not click on the “Submit” button until you are completely done with your application and have uploaded the required attachments. You will not be able to retrieve or edit your application once it has been submitted.
